- The application was deposited without drawings. 35 U.S.C. 113 (first sentence) requires a drawing "where necessary for the understanding of the subject matter sought to be patented." *Applicant should reconsider whether the drawings are necessary under 35 U.S.C. 113 (first sentence).*

The maximum time a person would expect to wait for this letter is, 45 days. The patent office took 402 days, to mail mine, with "NO" explanation.

This fraudulent maneuver is costing my application 4 years in the patent pending stage, and it only takes 3 in a normal process.

*A copy of this notice **MUST** be returned with the reply.*
